Undertakings:
Please download, sign and upload the document.

The screenshot shows a web browser window with the URL `portal.karnatakaturism.org/application?stepName=Undertakings&id=15000535&appType=HOMESTAY&formType=resume`. The page is titled "New Homestay Registration" and includes a "Discard" button in the top right corner. A navigation sidebar on the left contains links for Home, Applications, and a progress list with five steps: Applicant Details, Homestay Details, General Documents, Establishment Photos, and Undertakings (which is currently selected). The main content area is titled "Undertakings" and contains the following elements:

- A "Back" button with a left arrow.
- A section titled "Undertakings" with a sub-header "Undertaking for Compliance with Operational Requirements*". Below this, it says "Download the file, fill the blank fields on a printed copy and upload the signed copy." and provides a "Download Annexure 2.pdf" button.
- An upload area with a circular arrow icon and the text "Click to upload or drag and drop PNG or JPG or PDF (max. 25MB)".
- A section titled "Pledge of Commitment towards Safe & Honourable Tourism*" with an "I agree" checkbox and a link to the "Pledge of Commitment towards Safe & Honourable Tourism".
- A "Place*" text input field with the placeholder text "Enter the Place".
- A "Date*" text input field with the placeholder text "dd/mm/yyyy" and a calendar icon.

The browser's address bar shows the URL, and the top of the page has a notification bar that reads "For any queries or assistance, please contact your respective district officials." The bottom of the screen shows a macOS dock with various application icons.

PAYMENT

After filling in all the details, please proceed ahead with payment and please chose UPI option so as to be assured of positive payment result, after payment the application status would be 'Verification pending'.

During verification process if there are any issues - the application would be sent back (maximum chance of 2) and you will given 10 days to correct and revert back the application.
